Bogota, Colombia, by the President to assist in safeguarding General Marshal during the Bogota Conference revolution. I have maintained informal contact with him since then and knew him rather well during my year at Fort Bliss  3. I think very highly of and feel sure he would do a fine job for the Agency if we have any place that requires a man of his capabilities Please shop him around, particularly to DD/P for his Latin American capabilities, and you might also try Mr. Bross' new outfit as well. Let me know what develops.
